Kenya Kingdom Impact Trip 2026

Nairobi • Kakamega • Mombasa | April 22 – May 7, 2026

Partnership with Rise Church Kenya

"Thy Kingdom come. Thy will be done."

The Ministry Track is the spiritual engine of the Kenya Kingdom Impact Trip. In every city we enter, we carry the presence of God — through proclamation, prophetic ministry, prayer, compassion, and leadership development — meeting people exactly where they are.

This is not a performance ministry. It is an immersive, Spirit-led encounter — creating space for gifts to flow, for healing to happen, and for the Church in Kenya to be strengthened from the inside out.

PILLAR 01

Pastors & Leaders Conferences

Equipping the Builders of the Church — Nairobi · Kakamega · Mombasa

The local church in Kenya is one of the most dynamic and rapidly growing expressions of the Body of Christ on earth. Our Pastors & Leaders Conferences pour into those already building — providing teaching, activation, and Spirit-filled community for those who carry the heaviest spiritual responsibility.

Teaching & Activation

Deep-dive sessions on leadership, the prophetic, grace-centered ministry, and building sustainable churches.

Prophetic Ministry

Dedicated time for personal and corporate prophetic ministry — speaking into the lives and callings of Kenyan leaders.

Peer Exchange

Space for Kenyan and American ministry leaders to share, learn, and build lasting cross-cultural relationships.

Strategic Alignment

Conversations around vision, kingdom strategy, and how local churches connect to what God is doing globally.

Where the Fire Falls

Kakamega · Mombasa

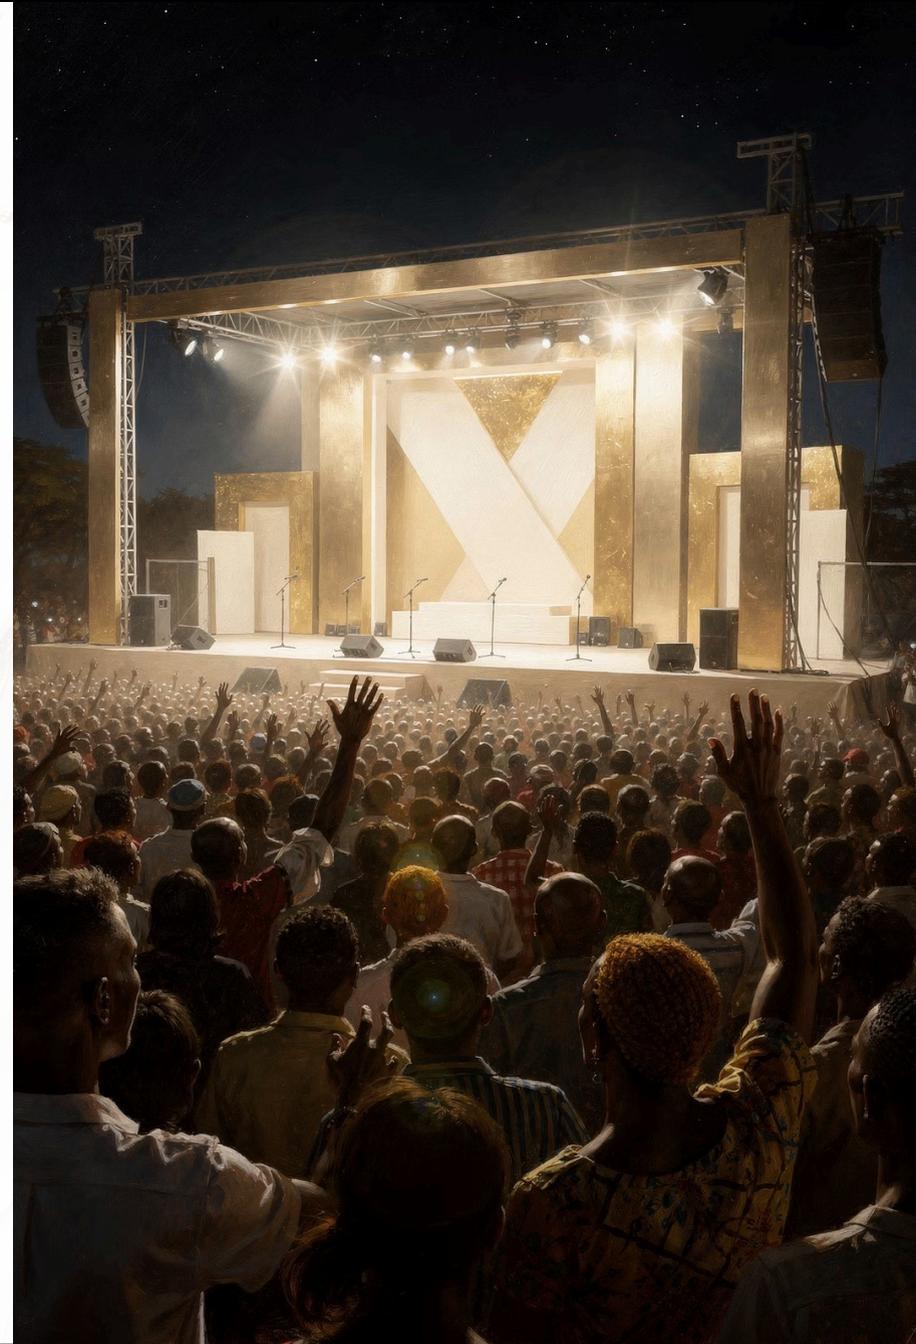

Kakamega and Mombasa are primed for revival. We will step into local churches for multi-night revival meetings — and take the Gospel to the open air, reaching those who would never step through a church door.

Church Revivals

- Multi-night meetings in partnering local churches
- Preaching, worship, and extended ministry time
- Healing prayer and prophetic activation
- Strengthening host congregations
- Mobilizing local believers to carry the fire forward

Open Air Crusades

- Mass evangelism events in public spaces
- Reaching the unchurched and unreached
- Preaching the Gospel with signs and wonders
- Altar calls, salvations, and immediate discipleship
- Partnering with Rise Church Kenya for follow-up

Meeting People Where They Are

Kakamega · Mombasa · All Cities

The Kingdom is not confined to buildings. Our street evangelism and feeding ministry takes us directly into communities — sharing the Gospel, feeding bodies and souls, and demonstrating the love of God through tangible acts of compassion.

Street Evangelism

Teams deployed into markets, neighborhoods, and public spaces. Personal Gospel conversations, prayer, and connection to local church follow-up.

Prayer on the Streets

Healing prayer, prophetic words, and Spirit-led encounters in markets, roadsides, schools, and beyond.

Feeding Ministry

Feeding meals in slums, orphanages, and vulnerable communities — every meal accompanied by prayer and the demonstration of Christ's compassion.

Space for the Gifts

Unscripted time for every team member to move in their gifts — evangelism, healing, prophetic ministry, worship, or presence. A participatory mission.

The Prophetic Dimension

Running through everything we do is a strong prophetic current. This is not incidental — it is central to how we minister.

Personal Prophetic Ministry

Dedicated, unhurried space for prophetic words spoken over individuals — pastors, leaders, and congregation members. We come with a word, not just a program.

Corporate Prophetic Encounters

Sessions designed to create atmosphere and expectation for God to move collectively — prophetic worship, intercession, and Spirit-led ministry that transforms the room.

Prophetic Worship & Arts

Ample space for prophetic musicians, worshippers, artists, and creatives to flow in their gifting. A trip for people who carry something and need a stage to release it.

Impartation & Activation

Intentional impartation for Kenyan leaders — activating prophetic gifts, releasing fresh courage, and sending teams home with more than they came with.

Gift Expression for the Team

Every team member — regardless of formal role — is given time and space to move in their ministry gifts. Everyone brings something. Everyone releases something.

Spirit-Led, Not Scripted

Itineraries are held loosely. When the Spirit moves, we follow. Our team is trained and trusted to respond to what God is doing in the room — and in the city.

The Kingdom Has a Seat at Every Table

Nairobi primary focus · All cities where doors open

In Nairobi — and wherever doors open — our ministry reaches beyond church walls into the halls of government, diplomacy, and enterprise. We carry the Kingdom into the boardrooms, embassies, and leadership circles that shape the nation.

Diplomatic & Government Engagement

Meetings and ministry with government officials, dignitaries, and diplomatic representatives — bringing Kingdom perspective and prophetic witness into spheres of influence.

Business & Marketplace Ministry

Connecting with Kenyan and regional business leaders through prayer, prophetic ministry, and relationships that integrate faith and economic life.

Cross-Sector Relationship Building

Cultivating long-term relationships between U.S. and Kenyan leaders across sectors — creating bridges for ongoing Kingdom collaboration beyond 2026.

Prayer for Cities & the Nation

Targeted intercession for Kenya — for leaders, for peace, for economic breakthrough, and for the advancement of God's purposes at a national level.

Prayer Partnership

Cover the trip in prayer from home. Receive prayer updates, intercede for open doors, and stand with us in the spiritual dimension as the mission unfolds.

Sponsor the Ministry Activities

Fund open air crusades, pastoral conferences, feeding outreaches, and evangelism resources. Your partnership directly enables the reach of every ministry expression.
